It is my pleasure to introduce you to two new members of our care team. After careful consideration of numerous candidates, I have chosen Dr. Elizabeth Robinson and Dr. Dan Callaghan to join our practice. Both physicians hold the same high-quality standards for care that I do. I trust them for you with the same expertise and conscientious attention that you have come to expect from our practice.

As you are all aware, my own schedule is overwhelmed. Please accept my introduction to these two fine doctors to share in your care going forward. I will continue to practice as I always have and invite you to meet all the members of our team so that you can have excellent care whenever the need arises.

Thank you,
